

Ultimate and Gourmet Platters Collection

New solution 24x17cm

The best solution to showcase and transport your
ready to eat menus, from one to several eaters

Market trends

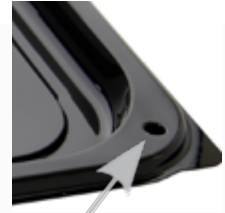

- . **Meals to go** market is **growing** strongly.
- . **Safe transport** is essential for «to go» food.
- . Need for **readymade** and **easy eat** meals.
- . **Packaging** and **food visibility** are vital for every food offer.
- . The « at home » market is also growing, convenience and retail items are likely to require **new recipes** and **new packaging**.

Added Value

- . **4 sizes** to meet the widest variety of plattered food presentation.
- . The outstanding **platter quality** means it can be served **straight to the table**.
- . The **lid fit** guaranties perfect taste and freshness.
- . The Gourmet platter allows presentation of **7 distinct compartments**.
- . The smallest Ultimate is ideal to separate a **specific portion** (gluten free, vegetarian, etc.).
- . Our Ultimate & Gourmet platters are also available in **Cash & Carry** packaging.

Points of attachment

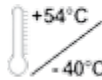

- . 4 to 6 points of attachment to ensure the lid fixes tightly on to the platter

Personalization

- . Embossing an option
