

Pagoda Platters

Plattered Food Solutions

Three small sizes of black platters, ideal for sushi, nibbles, mini desserts, etc.

BLA91216

Market trends

- Ready meals and meals to go are a lot more gourmet.
- Packaging and food visibility are vital for every food offer.
- Snackification is an ongoing trend. Traditional mealtimes are on decline and healthy snacks are filling the gap. The food offering is now moving into convenient, portable foods to replace breakfast, lunch or dinner.
- Consumers request healthy and balanced snacks.

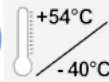

Amazing food visibility

Added Value

- Eye-catching and easy to grab & go solution!
- 3 sizes, ideal for sushi, nibbles, mini-desserts, etc.
- Individual and/or small portions
- Innovative, clean lines, design
- Superb product visibility
- Perfect lid fit and stacking feature
