# BePulp Compostable Solutions

BePulp Platters showcase both your food  
and your sustainable commitment

## Meet the environmental and catering needs of your customers

- **Explosion of digital food orders\***: growth 15 times higher than growth of visits in commercial catering
- **Booming demand of corporate delivery to offices** for daily breakfast and lunch meetings
- **Home entertaining**: Today, **75% of consumers prefer friends coming over to their homes** rather than going out to socialize\*\*
- **Explosion of environmental awareness**:
  - **94% of European consumers** considered the **protection of the environment important** \*\*\*
  - **66% of consumers** willing to **pay more** for **products** provided by companies committed to **positive social and environmental impact\*\*\*\***

\* NPD Group study 2018 on food delivery

\*\* Statista 2018, UK market

\*\*\* Eurobarometer, survey from the European Commission, 10/2017

\*\*\*\* Nielsen Global Survey on Sustainability

## New BePulp Compostable platters

- **Natural, plant based & renewable resource:**  
BePulp Platters are made from fibre residue of plant origin (e.g. sugar cane bagasse)
- **100% Home compostable:** BePulp Platters are **Home OK Compost certified** by TUV Austria (EN 13432)
  - For industrial and garden composting
  - They disintegrate up to min.90% in 120 days
- **100% Recyclable:** BePulp Platters can be used with recycled and recyclable rPET lids
- **Stunning & ready to table presentation**
- **Perfect lid fit & excellent stackability for transport**
- **Convenient carry features** due to integrated handles
