**Fully Recyclable Cardboard
and Window Film**

(separate film from board and check local recycling facilities).

Tapered Catering Platters

A recyclable cardboard platter solution with double wall insert trays.

The unique double wall and grease resistant coating on the cardboard trays offers protection to transport your food without worrying about damaging or losing food integrity or taste.

Standard Platters

Maximum functionality with a natural kraft paper board designed to help enhance your food presentation.

The flat pack, self erect outer box and tray inserts are incredibly easy to store and transport. The box offers secure locking and the small and the medium inserts allow separate sections.
